Stock Subscription and Shareholders' Agreement

STOCK SUBSCRIPTION AND SHAREHOLDERS' AGREEMENT

The undersigned hereby agrees with Staton Communications, Inc., a Kentucky corporation to be formed, to receive from said corporation the number of shares of capital stock in said corporation hereinafter set opposite the undersigned's name, and to pay for said shares in said corporation upon demand by said corporation at the rate of \$0.10 per share for the number of the shares set below.

The undersigned hereby acknowledges and consents by the signing of this agreement to the following rights and conditions placed upon the below subscribed shares of stock as follows:

Class A: Class A voting stock contains all the rights, without limitation, generally attributed to rights involved with common stock; and no par value.

Class B: Class B or non-voting stock contains rights of investment only, which stock specifically precludes its owner in the following ways: from being an employee of the corporation; from securing as an independent contractor or agent in any material capacity for the corporation; from communicating with the owner of Class A or voting stock on matters pertaining to the day to day operations of the corporation's business; from selling his stock without the prior written consent of the Class A or voting stock owner; from having any voting rights with regard to any matter of the corporation's business, including, but not limited to, removal of any employee, officer, or director of the corporation; from performing any service for the corporation with the exception of making loans to, or acting as surety for the business; and from becoming involved in the management or operation of the business of the corporation.

Inasmuch as all shares authorized are to be issued, no shareholder may acquire additional stock in the corporation. No shares of either class of stock may be converted into the other class of stock. The owner of Class B or non-voting stock may not sell his stock without the prior written consent of the owner(s) of Class A or voting stock.

The By-Laws of the corporation shall be in the form of Exhibit A attached hereto.

The parties recognize that the cost to be incurred in the preparation and prosecution of the application for a new FM station in New Albany, Indiana, and in the construction and operation of the radio station beyond that will exceed the amount of funds constituting the initial capitalization of the corporation. In the event that, in the sole opinion of the Board of Directors of the corporation, such additional funds are not readily available to the corporation from (1) capital contributions already made or committed to be made; (2) operations of the corporation; (3) borrowings of the corporation from the nonvoting shareholders or guaranteed by the nonvoting shareholders; (4) or borrowings of the corporation, which the Board of Directors of the corporation, may from time to time, call upon the owners of the shares to make additional contributions in cash. In the event that such call is made, the nonvoting shareholder agrees to loan those funds necessary to prosecute the application of the corporation before the Federal Communications Commission, up to an amount not to exceed \$150,00.00¹. Thereafter, the stockholders agree to contribute such amounts in cash up with the percentage of responsibility based on class of stock held as set forth below:

<u>CLASS A. VOTING SHAREHOLDER</u>	<u>SHARES</u>	
Mildred J. Staton	200 shares	20%
<u>CLASS B. NON-VOTING SHAREHOLDER</u>	<u>SHARES</u>	

¹ The voting shareholder has reviewed the financial statement of the nonvoting shareholder, and has determined that the nonvoting shareholder is able to fund such a loan in the full amount stated. If made, the loan will be secured by a lien on the equipment of the station, which lien will be subordinated to the primary financing for the station, and will be repaid with interest on the unpaid balance at the prime rate of interest of the bank of the corporation existing at the time the station goes on the air. The loan will be repaid from available funds at the discretion of the President of the corporation, but prior to dividends being paid, or distribution upon sale, to the shareholders.
